

## RMO Makes Your Transition from GAC/Dentsply Products Easy

If you have been buying orthodontic products from GAC/Dentsply, you have a smart alternative with RMO. We offer many equivalent products and a buy-back program to help you make this transition as smooth as possible.

As you probably know, Dentsply Sirona/GAC has exited the traditional orthodontic appliance market. We realize that your office could be impacted as they discontinue bands, brackets, tubes and wire. Please know that RMO is here to help you with finding alternative products. RMO offers many equivalent products and a buy-back program to help you and your team make a smooth transition.

RMO offers the following products that are equivalent to those discontinued by Dentsply Sirona/GAC:

- **FLI<sup>®</sup> Buccal Tubes** vs Resolve Buccal Tubes
- **Truform** vs Snap-Fit<sup>®</sup> molar bands
- **Alpine SL<sup>®</sup>** vs In-Ovation<sup>®</sup> self-ligating brackets
- **FLI<sup>®</sup> Clear & Signature III** vs Ovation<sup>®</sup> ceramic brackets
- **Orthonol<sup>®</sup>, Thermaloy<sup>®</sup> (+) FLI<sup>®</sup> aesthetic and Copper NiTi** vs Accu-Force wires
- **Trioforce Preformed Natural Arch Wire** vs BioForce<sup>®</sup> arch wire
